

## Dr Hannes Holm Pathologist Inc Achieves Prestigious SANAS ISO 15189:2022 Accreditation

We are proud to announce that Dr Hannes Holm Pathologist Inc has successfully achieved accreditation under the **SANAS ISO 15189:2022** standard. This significant milestone underscores our commitment to delivering high-quality diagnostic services that meet international standards. We are also proud to be the **first independent anatomical pathology laboratory in the Western Cape** to achieve accreditation under this latest standard.

### What is ISO 15189:2022?

ISO 15189:2022 is an internationally recognized standard that specifies the quality and competence requirements for medical laboratories. It ensures that laboratories operate at the highest levels of accuracy, reliability, and efficiency, benefiting patient care and healthcare providers.

### What This Means for Our Clients

By attaining this accreditation, HOLM Pathologists demonstrates:

- ✓ **Quality Assurance:** Our laboratory adheres to stringent quality control measures, ensuring precise and reliable results.
- ✓ **Competence & Expertise:** Our skilled team follows best practices in laboratory medicine to provide accurate diagnoses.
- ✓ **Patient-Centric Approach:** Our services meet international benchmarks, ensuring better patient outcomes.
- ✓ **Continuous Improvement:** We are dedicated to ongoing development and innovation in pathology services.

### Our Commitment to Excellence

Achieving SANAS ISO 15189:2022 accreditation is not just a recognition but a promise—to maintain and enhance our high standards in diagnostic pathology. We will continue to invest in state-of-the-art technology, staff training, and quality assurance to provide world-class laboratory services.

---

*We extend our gratitude to our dedicated team for their hard work and to our valued clients for their continued trust and support. Together, we set new benchmarks in medical excellence!*
