

## Welcoming Dr Suzanne Kotzé

Dr. Suzanne Kotzé is a dedicated pathologist with a diverse background that includes clinical experience in dermatology (Medical Officer), internal medicine (Medical Officer and Primary), and HIV management (Diploma)

She has a Master's degree in Medicine (MMed) in Anatomical Pathology from the University of the Witwatersrand and is a Specialist of the College of Pathologists of South Africa.

Dr. Kotzé is a well-equipped general pathologist with clinical experience and perspective, and her approach to patient care extends beyond the boundaries of the laboratory.

She has a balanced approach to patient care, which is reflected in her motto: "Pathology is more than just a slide to me".

Dr. Kotzé has contributed to the medical field through publications in respected journals, such as the "European Journal of Gynaecological Oncology."

Her experience as an Anatomical Pathologist has recently expanded through specialized training in neonatal and placental pathology at Great Ormond Street Hospital in London, and Dermatopathology in Germany, as well as visits to international laboratories.

Dr. Kotzé's journey through medicine, from a general practitioner to a pathologist, reflects her dedication to improving patient care through a multidisciplinary approach, making her a valuable asset to the medical community and an ideal member of the Dr. Holm Pathologists family.

## About Us

*Jaco is a plastic surgeon (FC Plast Surg SA), and although he enjoys all aspects of his field, he has a special interest in hand surgery.*

*His passion for hand surgery was further ignited during his completion of a 6-month fellowship under Prof Michael Solomons at UCT and a year-long senior hand fellowship program at Guy's and St Thomas' Hospital, London, UK. Research and contribution to his field are important to Jaco, and he is currently a Ph.D. candidate at the University of Pretoria.*

*He practices at Mediclinic Vergelegen in Somerset West and Bow Cottage, Claremont.*

*Both Jaco and Suzanne love to travel and see the world, enjoy coffee and have an affinity for the ocean and nature.*
